# AFRICAN GARDENS

Many of last year's participants told us they'd like an option of smaller bags - so this year there are **MINI-BAGS** available!

Great for small gardeners, there are three per kit, and they also take less filling - extra practical for busy teachers!

To add some extra magic, and a splash of colour to your African garden, why not order a Sunflower Kit too? Each kit has two seed types, 10 coir pots and a mini-bag for your most promising specimen,
